Scenarios Booklet

Scenario 1 – The Gates of Fire

- Rule 65.1 point 1 should read:
“An Air Squadron can move from an off-map Base with a UK1 LOC Code to any Megahex containing one of the following hexes: D0222, D0922, D1822. The Flight Path length is 11 plus the distance from the Base to Entry Area N2. For example, moving from Base 314 in North Scotland to the Megahex D0222 has a total cost of 14 MPs.”
- Rule 65.1 point 3 should read:
“A Naval unit can move from an off-map Base with a UK1 LOC Code to any Megahex along the South map edge or vice-versa by expending 11 MPs plus the distance from the Base to Entry Area N2. For example, moving from Base 314 in North Scotland to the South map edge has a total cost of 14 MPs.”
